

Unistrut 90 Degree Angle Strut Bracket Perforated Unistrut C Channel

Our Product Introduction

for more products please visit us on channel-fittings.com

Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: HENG TONG, HENG TONG
- Model Number: L-28SQ
- Price: \$4.45/pieces 1-500 pieces
- Packaging Details: carton box and then pallet.
- Supply Ability: 500000 Piece/Pieces per Month

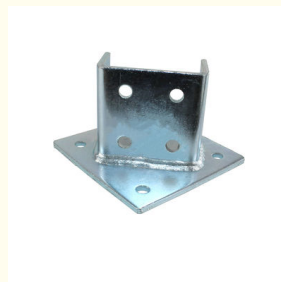

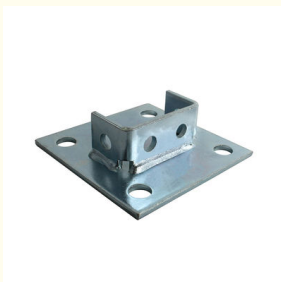

Product Specification

- Warranty: 6 Months
- Customized Support: OEM, ODM
- Product Name: General Angle Fittings
- Material: Carbon Steel Q235
- Connection: Bolts And Nuts
- Type: Base
- Thickness: 6mm
- Color: Silver
- OEM: Available
- MOQ: 1pcs
- DELIVERY TIME: 10-15 Days
- Port: Shanghai
- Highlight: 90 degree angle strut bracket, unistrut angle brackets 90 degree, Unistrut C Channel

Product Description

Customized Aluminum Powder Coating Galvanized Standard Steel Frame Welding Perforated Unistrut C Channel Post Base

Channel fittings offer a secure and organized solution for routing and supporting cables in data centers and telecommunications facilities.

They are compatible with various types of channel profiles, including single, double, and multi-channel configurations.

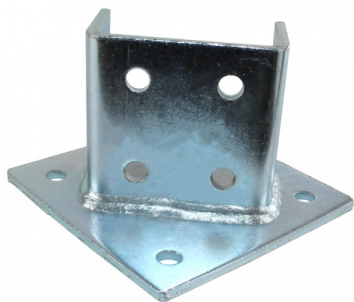

The fittings are suitable for installations requiring compliance with fire safety regulations, providing secure support for fire-rated cables.

Product Parameters

Product Name	Customized Aluminum Powder Coating Galvanized Standard Steel Frame Welding Perforated Unistrut C Channel Post Base
