

ISO Standard Unistrut Channel Nut Without Spring

Our Product Introduction

for more products please visit us on channel-fittings.com

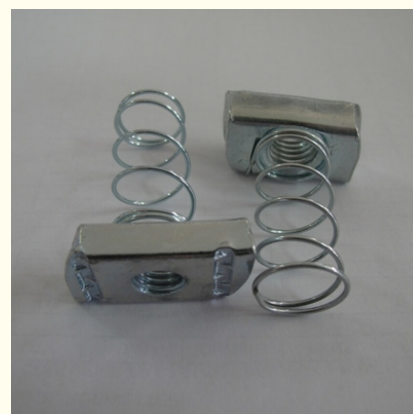

Basic Information

- Place of Origin: Jiangsu, China
- Brand Name: Hengtong
- Model Number: channel nuts without Spring
- Minimum Order Quantity: 1000

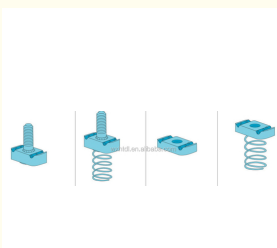

Product Specification

- Material: Steel With Zinc Plated
- Material Option: Stainless Steel
- Size Type: Various Sizes
- Size Standard: Metric, Imperial
- Nut Type: Without Spring
- Hardening Process: Case Hardened
- Base Material: Mild Steel
- Installation Method: Slide-in From Channel End
- Rotation Prevention: Non-rotating In Channel
- Thread Compatibility: Threaded Rod Compatible
- Mounting Side: Open Or Back Side
- Manufacturing Process: Machined From Bars
- Surface Treatment: Zinc Plated
- Biting Action: Positive Edge Grip
- Channel Compatibility: Unistrut Channel

Product Description

Unistrut Channel Nut Without Spring

Product Specifications

Attribute	Value
Standard	ISO

Product Description

Unistrut channel nuts are manufactured from mild steel bars, and after machining operations are completed, they are case hardened, assuring positive biting action into the inturned edge of the Unistrut channel.

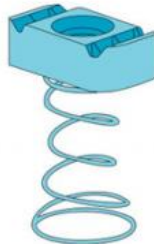

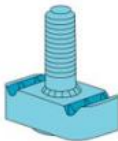

- Channel Nuts can be used for attaching StrutTech fittings to the open or back side of channel
- Nuts are also used to "double nut" threaded rod to channels
- Channel Nuts will not rotate in the channel
- Channel Nut can only be installed by sliding the nut into position from the end of the channel

Key Features

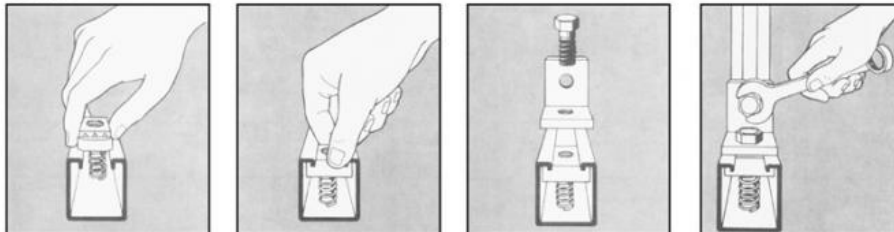

- **Material:** Steel With Zinc Plated; also available in stainless steel
- **Size:** Various sizes available included metric, imperial
- **Certificate:** ISO9001 management
- **Type:** Long/Short/Without Spring
- **Function:** Used for channel framing

Company Information

Wuxi Hengtong Metal Framing System Co., Ltd (HENG TONG) is one of the well established firms in Wuxi for the past 20 years meeting the requirements of Pipe Supporting Systems. We have a good contact with domestic and foreign manufacturers and suppliers producing and supplying original branded pipe supporting materials. HENG TONG manufacture P41 series strut channels, U shape channels, angle steels, channel fittings, brackets, cantilever arms, beam clamps, pipe clamps etc. Our factory is located in Wuxi which is about 130km from Shanghai port, which is very convenient to deliver goods.

Why Choose Us?

- Customized service is available according to the customers' requirement
- OEM is available
- High quality & competitive price
- Good after-sale service

Packaging & Shipping

Material in stock can be produced (procedure 5-20 days) right away after pre-payment confirmation. COSCO Mearsk MSC ship to worldwide for safe shipping, don't worry about package damage or loss. It takes about 15-40 days to worldwide. Please note us your contact details include your phone number for easy contacting from shipping company officer.

By sea	Shanghai port, Ningbo port or others
By air	Shanghai Pudong port
By express	DHL, TNT, FedEx, UPS etc
